   and download the app by clicking the yellow icon of
   OLA.

2. 先把「OLA_Installer.exe」檔案下載到電腦桌面上，
   然後雙擊該圖示啟動安裝程序。

   Download the 'OLA_Installer.exe' file onto your
   computer Desktop. Then double-click the icon to start
   the installation process.

3. 如出現「使用者帳戶控制」介面，請按 <是(Y)>，
   允許電腦執行「OLA_Installer」程式。

   If the 'User Account Control' window shows, please
   click 'Yes' to allow the installation to continue.

4. 「OLA_Installer」介面出現後，按「安裝」鍵，開始
   安裝 OLA。

   When the 'OLA_Installer' window shows, click 'Install'
   to start installing OLA.

5.　系統會自動進行安裝，請稍候，並留意對話框內所顯示的安裝進度。

The OLA application will be installed automatically. Please wait and watch the progress bar shown in the dialogue box.
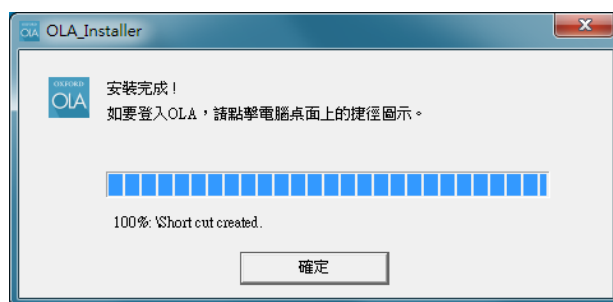

6.　當安裝進度達 99% 時，屏幕上將出現另一個對話框，顯示系統正在進行最後的自動安裝步驟（解壓縮檔案），需時約 2-3 分鐘，請稍候。

When the installation process reaches 99%, another window will appear on the screen, showing that the system is undergoing the final step of installation (files unzipping). It will take about 2-3 minutes, please wait.
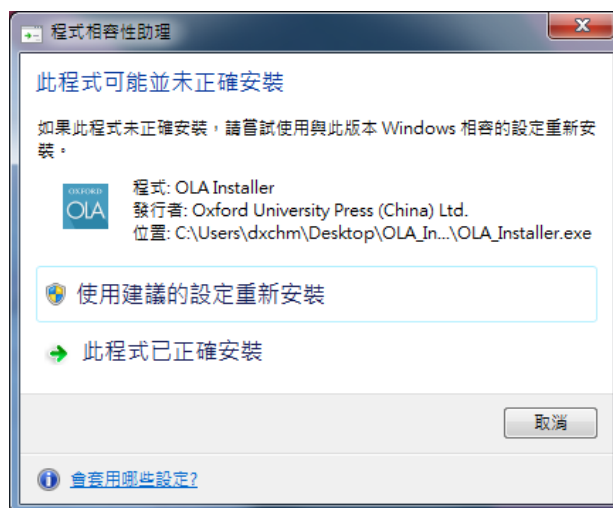

7.　當「安裝完成！」信息出現時，請按「確定」完成整個 OLA 安裝程序。

When the message of 'The installation process is complete' appears, click 'OK' to finish the installation of OLA.

8.　如出現「程式相容性助理」介面，請點選「此程式已正確安裝」。

If the 'Program Compatibility Assistant' window shows, please choose 'This program installed correctly'.

9.　完成安裝程序後，OLA 的捷徑圖示便會顯示在電腦桌面上。

After the completion of the installation process, an OLA short-cut icon will appear on your computer Desktop.

<u>注意：</u>　完成以上步驟後，在電腦內的「我的文件」**(My Documents)** 裏面會出現一個「**OUP**」資料夾，切勿刪除或移動此資料夾內任何檔案，否則必須重新下載及安裝 **OLA**。

Note:　**After you have completed the above steps, an 'OUP' folder will appear in 'My Documents' of your computer. <u>Do not delete or move any files in that folder</u>, or you may need to download and install the OLA application again.**
